PROFESSIONAL SUMMARY

React Native Developer with 4 years of hands-on experience building, maintaining, and scaling production-ready mobile applications. Strong expertise in migrating legacy React Native projects to latest versions, converting class-based architectures to functional components, and implementing custom native modules for Android and iOS. Experienced in performance optimization, CI/CD, analytics integration, and delivering high-quality apps across consultancy, commerce, and social platforms.

CORE SKILLS

React Native (CLI, Expo), JavaScript, TypeScript, Redux, Zustand, Expo Router, React Navigation, Kotlin, Java, Swift, Objective-C, REST APIs, GraphQL, Firebase, Node.js, Supabase, Expo CI/CD, Firebase Analytics, Mixpanel, Push Notifications, Payments, Maps, AR, Performance Optimization

PROFESSIONAL EXPERIENCE

React Native Developer – Code Alchemy (April 2022 – September 2025)

- Built and maintained multiple production React Native applications across consultancy, commerce, and social media domains.
- Migrated legacy React Native projects to latest versions and modernized application architecture.
- Converted class-based codebases to functional components using modern React hooks.
- Developed custom native modules for Android (Kotlin/Java) and iOS (Swift/Objective-C).
- Optimized application performance, stability, and scalability.
- Integrated payments, notifications, analytics, maps, and AR features.
